Who We Are

Defiant Ones Motorcycle Association Lodge Partnership is a regional based network to provide safety in motorcycling, Brotherhood, and sisterhood. Our goal is to encourage clubs and organizations or just a group of friends who ride together to align with our mission and standards of a motorcyclist lifestyle, while incorporating the individual direction of the collective conscience of your club or organization, or group of friends through the development of local Lodges. This collective joining of bringing like groups together defining a common purpose where every member is a benefactor of the work of another member. Membership in your Lodge is not just for riders anyone can become a member of your Lodge. DOMA members comprise people from all walks of life and as an organization does not discriminate based on your organizations mission and standards. DOMA is a community of people who enjoy motorcycling and social gatherings, travel and leisure time and enjoy coming together in support of each other if only for support of another member.

Overview of the Charter and Lodge Program

What is the Charter and Lodge Program

The Charter and Lodge Program is designed with individuals in mind as a collective group. As an Association Defiant Ones Motorcycle Association believes in membership autonomy on an individual and group conscience basis. What this means is that every individual member and every group have their own conscience and from that they create a diverse group of riders and non-riders unlike any other Motorcycle Association in the world. We are not about what bike you ride or if you ride, we are about the lifestyle, inclusive of riders and non-riders who love motorcycling. Keeping this in mind we allow Lodges to create their own rules not subject to Defiant Ones Motorcycle Association. If you want only Harley Davidson motorcycles in your group, then so be it. If you prefer only men, so be it. If you prefer a mixture of bikes, sexes, have at it. We do not run your day-to-day operations of your individual Lodge; your membership makes the rules. We are here to provide Training, Business Organization, Material and Legal and Financial support to help your Lodge grow in membership size and to generate revenue or raise money, through hosting events, being a vendor at an event and through the internet via our Ecommerce products and services. We offer the development of your very own website if you choose to move in that direction. If hosting an event is not an option for your Lodge to raise revenue, we have made available through the Internet a platform for your Lodge to generate operating revenue and raise funds for Charity. We have made it easy for your Lodge to generate revenue for your operating expenses or for charities you love and support. Our Goal is to give your Lodge the means to generate revenue for your Lodge or raise money for charity by hosting Events, attending Events as a vendor or opening an online website. We want your Lodge to become a lifetime partner with Defiant Ones Motorcycle Association.

Recruitment is key

Recruitment of Members to your Lodge is necessary for your Lodge to thrive. We offer 3 ways to help you recruit. We can List your Lodge with a link to your Lodge website and/or Social media page on our web platform defiantonesllc.com. We advertise your Lodge in our bi-annual magazine and various Social media pages.

We always say the best way to recruit is to wear your patch and talk about the benefits of membership in Defiant Ones Motorcycle Association as an active member of your Lodge which is outlined here in this manual. Below is a list of key incentives to bring members into your Lodge.

20% off all products in our Ecommerce shop

Discounted Services for Travel and Motorcycle Rentals

MyRoute-App Routeplanner Gold and Navigation System

Coming attractions such as Roadside Assistance and Towing, Insurance, Motorcycle Transport, and service centers (A percentage of Annual membership costs pay for the development of these resources)

Custom Designed DEF1ANT Brand Motor Clothing

Longrider Program (additional fee applies per rider)

Lodge receives 20% of Purchases made through Defiant Ones Motorcycle Association Website (through your website as designed by DOMA) or at events and fundraises the Lodge host for all non-member purchased items during those fundraisers or events your group organizes; as well as 10% for each membership you recruit to your Lodge or individual and Lodge memberships sold through your Lodge. The more you sell the more Revenue your Lodge generates. (DOMA offers the highest percentage of return than any other organization or company)

Benefits of a Lodge That Host Event

Typical Motorcycle Rally Tent of Defiant Ones Motorcycle Association, LLC

If your group does plan to host events with DOMA your social Club, organization or group of riders have established a good membership with leaders who already know how to lead and are willing to learn how to promote our organization through promoting yours. We consider this type of Lodge to be a Promoter Lodge (A Promoter lodge is opened only when it has organized its first Hosted Event, we call it a KICKOFF*) This type of Lodge is ready to move forward in a big way. Working closely with your Charter will be an introduction of your Lodge as a member group of DOMA. It is in the Charters best interest that you succeed during a kickoff. Recognition of your group is important to us. We know the risks and pitfalls and have already perfected the issues to make your group a successful partner with DOMA. This is an opportunity for your club, organization, or your group of riders to be recognized with the mission and values that DOMA supports. No baby steps here for these Lodges.

* All Post event documentation must be submitted to the Charter Office by the Lodge organizing the event for processing within 14 Days and the Charter Office must submit its documentation within 5 days of their receipt from the Lodge to DOMA. Unless the Lodge and or the Charter has requested more time for cause, and it is approved by DOMA. All financial disbursements will be provided through Defiant Ones

Motorcycle Association, LLC and will be completed no later than 30 days after the event has finished.

Benefits of a Lodge that does host events include:

- Listing in Defiant Ones Motorcycle Association Magazine (if submitted at least 90 days prior to an event)
- Event included in the event database on defiantones.com.
- Event Training and Support
- Access to supplies to market to DOMA perspective members while supporting your organization and benefiting it financially.
- Eligibility for your organization to become a fully active membership location providing services for other DOMA members in your area.
- Monthly DOMA Organizer News e-newsletter
- DOMA Service Award plaques and Safety Award plaques available to present to two club members or employees in your club or organization.
- One DOMA Flag or Banner with establishment of a new Lodge with hosting an event at opening.
- Offer to Attend DOMA Annual Board Meeting to Meet the Defiant, LLC corporate staff who has been instrumental with protecting and supporting your organization or club and its members and to provide input on rules and receive educational training related to hosting events.
- Access to all services for operating events at competitive rates, negotiated by the DOMA on behalf of event organizers.

- Affiliating your club or organization with a nationally recognized motorcycling Association
- Supporting DOMA's mission to promote the motorcycle lifestyle so that motorcyclists can continue to enjoy their ability to ride free and safe and host events.
- Access to Corporate members to answer questions and to ask for support of your events.
- Lodge/Club listed on defiantonesllc.com for others to find.
- Annual Lodge certificate
- Additional benefits for recreational riding organizers (organizing a long ride with your Lodge) include:
 - Ability to order DOMA Charter club pins and patches.
 - Opportunity to develop your event into a featured or national event.

How To Build Income and Raise Money

Building income and raising money is not easy for any group of people. It will require a bit of “salesmanship” ability on part of the Lodge membership to understand what you are selling and how to bring a product to market. We recommend reading our website in its entirety to dig in and get to know who we really are as an Association and what we offer to learn about our patch and our Association.

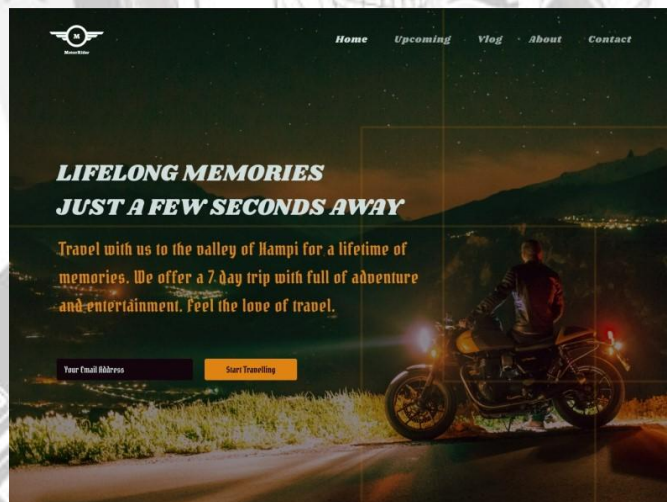

We offer 6 ways to Build Revenue and Raise Money:

- Hosting an Event in your Local Area*
- Attending an event in your local area as a vendor*
- Build a website through Defiant Ones Motorcycle Association

- Word of Mouth and Recruit membership to your Lodge
- Market individual membership packages to friends and family
- Long Rider Program through Sponsorship**

*DOMA Provides the Motor Clothing and accessories for you to market at your events as well as insurance for the event (a Fee does Apply) you only need to get a vendor permit have a lap top computer and a good internet connection or hot spot for processing transactions

** like any other charitable event you collect signatures and sponsors and after completing your ride (which you will document with images and travel times through our MyRoute-App Routeplanner which will verify your Lodge completed the long ride as promised)

How To Create Your Lodge Website

Creating you Lodge Website is easy. We offer a set up and design fee (a value of \$1500.00) for a basic clean clear website design with Defiant Ones Motorcycle Association custom theme and an API

to connect our products and services to your website. An inexpensive monthly hosting fee is all you need to pay (a \$750.00 per month value) which includes the API linking to our website checkout and then returning back to your site after the customer processes the transaction Each month DOMA will issue a payout of all products and services bought by members and non-members on your site and credit your organization as outlined here:

- * Lodge receives 20% of Purchases made through Defiant Ones Motorcycle Association Website via Your website (as designed by DOMA) or at events and fundraises the Lodge host for all non-member purchased items during those fundraisers or events your group organizes; as well as 10% for each membership you recruit to your Lodge or individual and Lodge memberships sold through your Lodge. The more you sell the more Revenue your Lodge generates. (DOMA offers the highest percentage of return than any other organization or company)

While hosting events or attending events as a vendor you will use your website to process all transactions from your own laptop for your customers.

We told You it was easy!! It's that simple.

Benefits of a Lodge That Does Not Host Events

If your group does not plan to host events with DOMA due to Lack of space, know-how, or you think you don't have the numbers required to establish a Lodge as a go it alone social club or organization, DOMA is here to get you and your group involved to host events or become a vendor at events where each Charter has a Member whose job is to act as a networking mediator to bring smaller groups together under one umbrella serving multiple positions, holding true the standards and values of DOMA. As groups join and create a Lodge through our networking model more benefits are available to your group through the DOMA Charters. This is not a requirement to establish a Lodge, but an option

Benefits of a Lodge that does not host events include:

- Event Training and Support
- Access to supplies to market to DOMA perspective members while supporting your organization and benefiting it financially.

- Eligibility for your organization to become a fully active membership location providing services for other DOMA members in your area.
- Monthly DOMA Organizer News e-newsletter
- DOMA Service Award plaques and Safety Award plaques available to present to two club members or employees in your club or organization.
- Affiliating your club or organization with a nationally recognized motorcycling association
- Supporting DOMA's mission to promote the motorcycle lifestyle so that motorcyclists can continue to enjoy their ability to ride free and safe and host events.
- Annual Lodge Certificate

Additional benefits for recreational riding organizers (organizing a long ride with your Lodge) include:

- Ability to order DOMA Charter club pins and patches.
- Opportunity to develop your event into a featured or national event. (Let's take this in baby steps of course)

What is a Sanction?*

nce a Charter is certified and established in a region, it is free to organize Lodges. This is the process with which sanctioning is defined. Every Charter is responsible for the management of its Lodges; the opening and closing of Lodges and providing each Lodge with the material support for operating its events. The Lodge enters into an agreement with the Charter to follow the protocols put in place by DOMA, so every event is conducted in the highest of standards reflecting on DOMA and your club or organization, wherein your club or organization is alleviated of legal

Liability. DOMA is the Main National Charter. As Lodges Grow and add additional Lodges to their own, they will become a Charter Group in their respective Region. DOMA will always remain the National Charter a DOMA Lodge Who Opens 4 or more Lodges in their Region can apply for a Charter. Working closely with your local Charter will be an introduction as a member group of DOMA and it is in the Charters best interest that you succeed during a kickoff. Recognition of your group is important to us. We know the risks and pitfalls and have already perfected the issues to make your group a successful partner with DOMA. This is an opportunity for your club, organization, or your group of riders to be recognized with the mission and values that DOMA supports.

* The sanction application fee** is different for every event based on many factors, such as the type of event and/or the length of an event, to provide a couple of examples.

**All sanction applications must be submitted at least 60 days prior to the event. Again, your event insurance will be reflected in the fees associated with event operations and will be determined by DOMA. We handle This for your group.

How To get the Most Out of Your Lodge Program Membership

We cannot stress it enough the harder you work towards recruitment, the more clothing and accessories you order for your group and others and the more events you host or attend as a vendor and you actively pursue a website to get your message of your Lodge out, as well as placing yourself on Social media, only then can we say that you have done everything you can to move forward and grow your Lodge. Please remember being a Lodge is like running a business. The difference is that your business benefits every member of your Lodge.

Membership Commitment

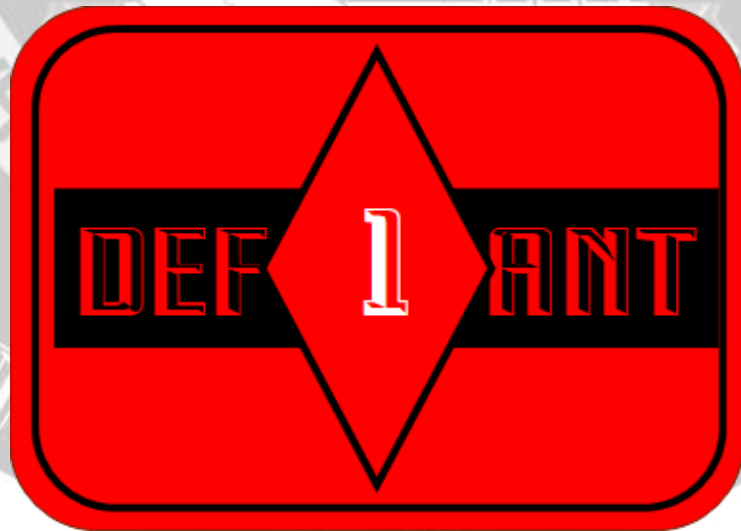

There are 3 key points to good Membership Commitment to Keep your Lodge steady and moving forward:

1. Remain Excited about Defiant Ones Motorcycle Association to everyone you know
2. Remember we are not just for riders the more limitations you place on your group by your group rules the smaller the pool of members you will be targeting
3. Always remember LLH&R this goes a long way; remember be friendly and courteous to others because even people who are new to motorcycling want a mentor and what better way to keep members than to be a mentor

More Information

Remember this is a Manual not a rule book. You are bound by no requirements for membership. As a Lodge partner DOMA does not make your rules for your Lodge your membership does all the rulemaking.

If you ever want to have a discussion or have questions about operating your Lodge, please call us at (978) 582-1298 Ext. 2 and talk to a DOMA Corporate Partner or email us at charterandlodges@defiantonesllc.com

APPENDIX (The forms attached can be found in your manager portal online as .pdf)

Meaning of the Patch

WHAT IS THE MEANING OF THE PATCH!

Let us be transparent:

"I am free to live and free to ride and rules are not what guides me but my conscience". Everyone has different views, and every group wants to have "their rules" here at Defiant Ones Motorcycle Association "your rules are you" and "you are ruled by no one". When you Build A Lodge Group or your ride under our individual membership you make your own rules, we

don't make them for you. That is Freedom! If you want to build your own group of riders, WE WILL HELP YOU BUILD YOUR GROUP. We are asked alot about our patch's symbolism and the meaning behind the patch. We know this is because people want to wear something that means something, and not just do what alot of other associations do and advertise, like putting a set of Harley Wings on their cut.

WE HOPE THIS BRINGS UNDERSTANDING AND WILL HELP YOUR LODGE ATTRACT THE BEST OF THE BEST IN OUR WORLD OF MOTORCYCLING

1. The Top and bottom rocker speak for itself. You are a member of an Association not a Motorcycle Club (MC) Riding Club (RC) Motorcycle Ministry (MM) or Law Enforcement (LE) (OUR INDIVIDUAL MEMBER PATCH WITH A DIFFERENT ROCKER SET UP HAS THE SAME MEANING)
2. The Motto around the center speak to where you and many individuals of a variety of different societal cultures hail. They hail from descendants who through blood and death at times, and by other means, to oppose rule that was not what in their own conscience they believed and made changes or became outlaws but always stood ground on their personal feelings of freedom.
3. The gear encircling the center represents the continuous turning in the life of a person trying to find the right connection at the right time to manage the right situation. It is synonymous with a transmission shifting gears. Depending on the situation presented a transmission needs to adjust manually for every circumstance presented, and the Rider is the one who is "free" to choose that option when the need presents itself.
4. The triangle in the very center represents a desire for unity, balance, self-control, and authority like fire.
5. The sun and crescent moon represent the belief in change through action of an individual. The Crescent Moon is the first quarter of the lunar month. which makes a person first in thought (conscience) and in belief (commitment to conscience) the sun is

light shining across all things drowning out the shadows and exposing truth through strength.

6. The watch represents time, eternity, but the location of the hand just before 11 O'clock is significant to the meaning of the 11th hour otherwise known as "the time to act is now" this is the latest possible time before it's too late.
7. The broken piston. This is a memorium to bikers who have failed to get along because of differences or "Rules" among them in our sub-culture lifestyle. The hope that is in this image is that one day bikers will all join together as one force free from rules and divisions not just for a common cause, (because for causes many groups do come together) but just because we all embrace the freedom that riding brings to us and the freedom our culture feeds us through that freedom.

Long Rider Application

Defiant Ones LongRiders must provide verification information and program registration fee with this application.

VOLUNTEER DUTIES (WHAT WOULD YOU LIKE VOLUNTEERS TO DO?)	
VOLUNTEER INCENTIVES PROVIDED BY ORGANIZER (IF ANY)	

*No DOMA volunteers will be dispatched to any event until the DOMA receives the name and cell phone number for at least one contact from the organization who will be at the event each day. Our volunteers need this information to properly carry out their duties.

Please return to memberservices@defiantonesilc.com

Completing this form does not guarantee DOMA volunteers will be available for your event.

Charter Regions and County Breakdown by State and County

(County breakdown is for overlapping states in varying counties. If your county is not listed your whole state falls into the region)

Charter Regions By State

Region 1-Northeastern Region

Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, Pennsylvania, New Jersey, New York (select counties throughout the state) excepting Eastern New York, Southeastern New York, Northeastern New York.

Region 2-Southwest Region

Southern California (identified counties), Nevada, Arizona

Region 3-Northwest Region

Northern California (Identified Counties), Northern Nevada (identified Counties), Oregon, Washington.

Region 4-West Region

Texas, New Mexico, Oklahoma, and Louisiana

Region 5-Southeast

Florida, Mississippi, Alabama, Georgia, South Carolina, North Carolina, Arkansas

Region 6-Rocky Mountain Region

Idaho, Montana, Wyoming, Colorado.

Region 7-Midwest Region

North Dakota, South Dakota, Nebraska, Kansas,
Oklahoma, Minnesota, Iowa.

Region 8-Great Lakes Region

Wisconsin, Illinois, Michigan, Indiana, Ohio.

Region 9-Mideast Region

Virginia West Virginia, Delaware, Maryland,
Washington D.C., Kentucky, Tennessee.

Region 10-Farwest Region

Hawaii, Alaska.

Region 11-Outer Region

United States Territories including Puerto Rico.
